**STATE BOARD
REIMBURSEMENT SELECTION FORM**

Under Georgia law O.C.G.A §20-4-12, Board Members are entitled to receive a “per diem” payment to reimburse them for the cost of meals and lodging associated with Board-related functions. However, in some instances, the receipt of "per diem" payments may have unintended tax consequences, and Board members are encouraged to seek tax consultation from a professional tax adviser. Accordingly, options have been developed to reimburse Board members for costs related to Board activities. Please carefully review the options listed below and select the option that best conveys your expressed wishes.

I have carefully read my options for reimbursement and selected the following option(s):

 Option 1: I elect to receive a “per diem” payment. I realize this payment will be treated as wages and subject to the withholdings required by law. I understand that if I elect to receive a “per diem” payment, I would not be able to seek reimbursement for meals and lodging but may seek reimbursement for transportation and miscellaneous expenses. If TCSG pays for lodging on my behalf, I understand I will not receive a per diem payment.

 Option 2: I elect to be reimbursed for meals, lodging, and travel expenses for all Board activities, as authorized by the State travel regulations issued by the State Auditor. I will be reimbursed for these expenses by completing a State Accounting Office (SAO) Employee Travel Expense Statement. I understand that the Internal Revenue Service considers Board Members to be employees of the Technical College System of Georgia but will not receive any wages.

 Election of Donor Designations:

I want to donate funds received (via Option 1 or 2) to a specified TCSG Foundation Donor Account by Direct Deposit (*Gift Commitment Form attached*). Gifts to TCSG Foundation are tax-deductible to the extent allowed by law.

I understand I will receive documentation at the end of each calendar year for tax purposes.
