V. **ATTACHMENTS:** N/A

VI. **PROCEDURE:**

- A) Intellectual property may be protected under United States’ law and the laws of other nations. Intellectual property created by the faculty, staff or students of the Technical College System of Georgia and its constituent colleges may have come about because of the aid or participation of the Technical College System of Georgia or one of its colleges. The respective rights and obligations of the Technical System of Georgia, its constituent colleges and their faculty, staff and students, will be determined in accordance with the provisions of this procedure.
 - 1) Sponsor Supported Efforts: Projects sponsored by third parties often have contracts containing specific provisions with respect to ownership of any resulting intellectual property. In such cases, if the support provided is sufficient to cover the cost of developing the portion of the intellectual property to be owned by the third party, the intellectual property rights shall be as set forth in the underlying contract. Should the contract be silent as to intellectual property rights or in the absence of a contract, all rights in Intellectual Property shall vest in the Technical College System of Georgia. Income or revenue generated by sponsor-supported property shall be distributed in accordance with the terms of the contract; if the contract is silent, all revenue shall be distributed to the sponsoring college or TCSG System Office.
 - 2) Technical College System of Georgia or College Assigned Efforts: Intellectual Property Rights in Intellectual Property created as a result of projects undertaken at the direction of the Technical College System of Georgia or one of its constituent colleges shall vest with the Technical College System of Georgia. Should the property generate revenue from outside of the college, all revenues will be remitted to the college and accounted for as provided by the Technical College System of Georgia.
 - 3) Individual Efforts: Rights to Intellectual Property created solely through the efforts of faculty, staff or students without any contribution or compensation from

the Technical College System of Georgia or one of its constituent colleges shall vest in the individual creator(s). However, the creator(s) shall not be able to claim ownership rights in Intellectual Property created during work time for the Technical College System of Georgia or one of its constituent colleges or created using any resources of the Technical College System of Georgia or one of its constituent colleges that are not readily available to members of the public. It shall be the responsibility of the creator(s) to establish that he or she produced the Intellectual property solely with individual effort and without any contribution from the Technical College System of Georgia or the college. Revenue generated from property created solely through efforts of faculty, staff or students without any contribution from TCSG or a constituent college shall belong to the individual owning the property.

B) Proof of Individual Ownership of Intellectual Property Rights:

In any case where an employee, staff member or student of the Technical College System of Georgia or one of its constituent colleges claims a personal right to intellectual property or related compensation, he or she must provide evidence of his or her ownership as provided herein. Failure to follow this procedure shall result in all Intellectual Property rights vesting in the Technical College System of Georgia.

The employee, staff member or student must file in writing his or her request for approval of his or her claim of individual right of ownership or related compensation. Decisions regarding who holds the right to Intellectual Property shall be made by the Assistant Commissioner of Technical Education or designee, utilizing the standards outlined in paragraphs 1-3 above, for employees and staff of the Technical College System of Georgia's System office. Decisions for employees, staff and students of the colleges shall be made by the college president or designee utilizing the same standards.

Individuals may appeal the decision regarding Intellectual Property rights and/or compensation to the Commissioner of the Technical College System of Georgia. Appeals should be sent to the Commissioner in writing with all supporting documentation within ten (10) business days of receipt of the president's decision. The Commissioner of the Technical College System of Georgia shall consult with the Office of Legal Services prior to making a final decision. The Commissioner's decision should in most cases be made within thirty (30) business days after his/her receipt of the appeal.

C) Proposed Changes to Ownership Rights Established by this procedure:

Any proposed changes to the Ownership Rights of Intellectual Property must be submitted in writing to the TCSG Commissioner for his or her consideration. The Commissioner may establish a committee to consider such requests. The decision of the Commissioner or designee shall be made within thirty (30) days after the written submittal of the request for altered ownership rights. Any revenue sharing agreement associated with the altered ownership must be approved by TCSG Office of Legal Services.

D) Copyright, Trademark, Patent Applications

All colleges are required to coordinate with the TCSG Office of Legal Services in the submission of applications for copyrights, trademarks, or patents.

VII. **RECORD RETENTION:**

Records pertaining to ownership of intellectual property shall be maintained in accordance with the State of Georgia Record Retention Schedule. Upon reasonable belief that legal action may occur as a result of an issue of ownership of intellectual property, the college shall suspend any schedule for destruction of related records and take immediate and affirmative steps to secure such records in their original format(s).
