Revised: April 27, 2004; January 17, 2001; [Procedure added April 27, 2004]

Last Reviewed: September 1, 2022; September 16, 2019; September 10, 2018; and June 23, 2005.

Adopted: November 1, 1990.

POLICY:
The Presidents of Technical Colleges shall participate in civic and community functions and activities and promote community participation in college functions and activities.

At the discretion of the Technical College President, Technical College facilities may be made available for community and civic functions that promote the interests of the college and serve to enhance the college's relationship with the community. A President may make reasonable limitations as to time, manner, and place but may not exercise his or her discretion in a manner that discriminates based on the type of group seeking to use campus facilities.

Facilities may also be made available for functions related to business, industry, health, economic development, and the arts, both public and private.

Appropriate charges may be assessed for the use of facilities to cover costs incurred and amortization of equipment and cost of materials.

The President may require, as a condition precedent for using a facility, that a non-governmental organization obtains liability insurance coverage, in a form satisfactory to the President, that additionally ensures the Technical College System of Georgia, including the Technical College and its employees, against any all liabilities and claims that may arise out of the organization's use of the facility.

1. Scope of License:

1.1 Period. The license is granted for each facility for the entire License Period. However, if a lesser period is stated for any mainly listed facility or building, the stated period is the License Period for that facility.

1.2 Other Uses. Licensor may permit others (i) to obtain access to the Licensed Facilities, (ii) to use the Licensed Facilities listed in Paragraph A.3 at times other than that for which a license is granted to Licensee. However, no other permitted access or use during the License Period will unreasonably interfere with Licensee’s operations in the Licensed Facilities during the License Period. The Licensee shall not unreasonably interfere with any other permitted access or use. Licensee shall comply with Licensor’s directives issued to ensure that concurrent uses of the Licensed Facilities by Licensee and other users do not disrupt their respective operations in the Licensed Facilities.

1.3 Common Areas. Typical areas of the Licensed Facilities, including the parking area, entrance, lobby, restrooms, hallways, and atrium, which are made available to the Licensee, may also be made available by Licensor for concurrent access and use by others. However, Licensor shall coordinate and schedule Licensee’s access and use of common areas of the Licensed Facilities and access and use by others so that Licensee and each other user can achieve the permitted purposes of their respective activities within the Licensed Facilities without undue or unreasonable disruption. Licensee shall comply with Licensor’s coordination and scheduling directives issued for this purpose.

2. Fees and Charges for Licensor's Services.

2.1 Suppose upon Licensee’s request, or the request of the Licensee’s representatives, Licensor provides goods or services other than those stated herein. In that case, the Licensee shall pay for such additional items at Licensor’s then prevailing rates. Upon request at the time of the Licensee’s order for additional items, the Licensor shall provide the applicable rates and shall not charge more than the quoted rates.

3.1 Exclusive Services. Licensor has the exclusive right to dispense, by gift, sale, or otherwise, all food, beverage, or other consumable products at the Licensed Facilities. Licensee shall not dispense or bring into the Licensed Facilities any of those items. Alcoholic beverages are prohibited unless expressly permitted in writing in the License Agreement.

3.2 Licensee’s Rights to Provide Goods and Services. Licensee may provide within the facilities listed in Paragraph A.3 all goods and services appropriate to its permitted use except Exclusive Services listed above.

4.1 General Obligations. The facilities made available to Licensee shall be in substantially the same condition as on the date of the License Agreement.

4.2 Legal Compliance. As made available to Licensee, the facilities shall comply with all governmental requirements, including the Americans with Disabilities Act [ADA], fire, health, and safety codes applicable to Licensor. In addition, Licensor strives to accommodate persons with disabilities and relies on those with disabilities or others concerned for suggestions, or to alert them to barriers to access.

4.3 Staffing. Suppose the Licensor determines that a member(s) of its staff must be present at the Licensed Facilities during the use or License Period when a staff member(s) would not otherwise be present. In that case, the Licensee shall reimburse the Licensor after the Licensee's use for the cost of such staff member(s). (See Schedule of Pay Rates, attached as EXHIBIT "A").

4.4 Security. Upon request, the Licensor may arrange for security personnel. If so requested, or if Licensor determines security personnel are required, which would not otherwise be required, Licensee shall reimburse Licensor for the cost of security personnel.

b. Comply with the Licensor's regulations and directives governing the safe and orderly operation of the Licensed Facilities.

6.2 Failure to Vacate. If Licensee fails to vacate the facilities by the end of the License Period, or if Licensee fails to maintain an orderly and timely sequence of work to do so, then Licensor may remove all property brought into the facilities and Licensed Facilities by Licensee or any person admitted to the facilities and Licensed Facilities by Licensee and to restore the facilities. Any property removed by Licensor may be stored or delivered to Licensee or treated as abandoned property and accordingly disposed of. The Licensor is not liable for any damage to or loss of such property during removal, storage, delivery, or disposal. However, Licensee shall pay to Licensor all costs incurred by Licensor in effecting removal, storage, delivery or disposal, and restoring the facilities. 7.1 Licensee and Other Property. Licensee shall maintain insurance as Licensee deems advisable protecting against loss of or damage to property brought into the facilities by Licensee, and shall require all persons admitted to the facilities by Licensee to maintain such insurance as those persons deem advisable protecting against loss of or damage to property brought into the facilities by those persons. However, Licensor may require Licensee to obtain and present public liability certification or other insurance for the License Period. Licensor shall have no liability for any damage to or loss of property brought in the facilities by Licensee or by persons admitted to the facilities by Licensee. Licensee shall look solely to such insurance as Licensee elects to obtain and shall require each person admitted to the facilities to look solely to such insurance as Licensee may elect to obtain for protection against loss of or damage to such property. To the extent permitted under Georgia law, Licensee waives, releases, and agrees to indemnify and save the Licensor and its respective officers, employees, and agents harmless from all liabilities, and the cost and expense of defending all claims of liability, for any loss (from theft or otherwise) of or damage to (i) property brought into the facilities by Licensee or (ii) to property brought into the facilities by any person admitted to the facilities by Licensee or (iii) to property of others as the result of the negligent or wrongful act or omission of Licensee or any person admitted to the facilities by Licensee, in each case ((items (i) through (iii)), regardless of whether Licensee's negligent or wrongful act or omission caused, contributed to or aggravated the loss or damage, and regardless of where such loss or damage occurs.

7.2 Persons.

a. Indemnity. To the extent permitted under Georgia law, Licensee waives, releases, and agrees to indemnify and save Licensor and its respective officers, employees, and agents harmless from all liabilities and the cost and expense of defending all claims of liability, for any

8. Assignment; Binding Effect.

8.1 By Licensee: Licensee shall not assign the License Agreement or sublicense the license for any facilities as a whole, or in part, without the prior written approval of the Licensor. Licensor may sell or otherwise grant to others permitted to enter or to use the facilities on terms consistent with the License Agreement between Licensor and Licensee.

8.2 By Licensor: Licensor may assign any of its rights or duties upon notice to Licensee, but any such assignment shall bind the assignee to the License Agreement between Licensor and Licensee.

8.3 Binding Effect on Licensee: The License Agreement is binding on Licensee, its successors, and assigns. The License Agreement is also binding on each person admitted to the facilities by Licensee.
