Procedure: 3.3.6p. (II.C.6)
Use of Alcoholic Beverages on Campus

Revised: December 1, 2011; and March 3, 2005.
Last Reviewed: September 14, 2022; and March 2, 2012.

I. PURPOSE:
The possession, service, sale, and consumption of alcoholic beverages on college campuses shall strictly comply with all federal, state, and local laws. All persons coming onto the campus of any facility owned or operated by the Technical College System of Georgia or any of its Technical Colleges must comply with these laws.

A Technical College may serve alcoholic beverages in conjunction with operating a business conference center capable of accommodating 200 or more people. The sale of alcoholic beverages shall always be sponsored by an outside entity possessing the appropriate federal, state, and local licenses. The Technical College or its officials shall not sponsor it.

The service or sale of alcoholic beverages under this policy shall be limited to those occasions which serve a business, economic development, civic, social, or educational purpose. Alcoholic beverages may not be served or sold at any student-sponsored function or event.

At their sole discretion, the President may decline to allow the service or sale of alcoholic beverages at a Technical College and determine those areas on campus where alcohol will be allowed. No State or Federal funds may be used to purchase alcohol for service at a Technical College; the prohibition does not apply to the purchase of alcohol for the exclusive use in a college’s culinary arts programs, provided the Technical College has adopted written procedures to regulate the purchase, storage and use of alcohol in these programs.

College Presidents are expected to be familiar with laws governing the possession, service, sale, and consumption of alcoholic beverages.

   1.2 Other Uses. Licensor may permit others (i) to obtain access to the Licensed Facilities, (ii) to use the Licensed Facilities listed in Paragraph A.3 at times other than that for which a license is granted to Licensee. However, no other permitted access or use during the License Period will unreasonably interfere with Licensee's operations in the Licensed Facilities during the License Period. The Licensee shall not unreasonably interfere with any other permitted access or use. Licensee shall comply with Licensor's coordination and scheduling directives issued for this purpose.

2. Fees and Charges for Licensor's Services.

   2.1 Suppose upon Licensee's request, or the request of the Licensee's representatives, Licensor provides goods or services other than those stated herein. In that case, the Licensee shall pay for such additional items at Licensor's then prevailing rates. Upon request at the time of the Licensee's order for additional items, the Licensor shall provide the applicable rates and shall not charge more than the quoted rates.

   3.1 Exclusive Services. Licensor has the exclusive right to dispense, by sale or otherwise, all food, beverage, or other consumable products at the Licensed Facilities. Licensee shall not dispense or bring any of those items into the Licensed Facilities without the Licensor's express written consent. Alcoholic beverages are prohibited unless
expressly permitted in writing in the ALCOHOL ON CAMPUS REQUEST AND AGREEMENT, Exhibit C.

3.2 Licensee’s Rights to Provide Goods and Services. Licensee may provide within the facilities listed in Paragraph A.3 all goods and services appropriate to its permitted use except Exclusive Services listed above.

4.1 General Obligations. The facilities made available to Licensee shall be in substantially the same condition as on the date of the License Agreement.

As made available to Licensee, the facilities shall comply with all governmental requirements, including the Americans with Disabilities Act [ADA], fire, health, and safety codes applicable to Licensor. In addition, Licensor strives to accommodate persons with disabilities and relies on those with disabilities or others concerned for suggestions or alerting them to access barriers.

Suppose the Licensor determines that a member(s) of its staff must be present at the Licensed Facilities during the use or License Period when a staff member(s) would not otherwise be present. In that case, the Licensee shall reimburse the Licensor after the Licensee's use for the cost of such staff member(s). (See Schedule of Pay Rates, attached as EXHIBIT "B").

7.2 Persons.

a. Indemnity. To the extent permitted under Georgia law, Licensee waives, releases, and agrees to indemnify and save Licensor and its respective officers, employees, and agents harmless from all liabilities and the cost and expense of defending all claims of liability, for any personal or bodily injury to persons, including death, arising out of the use of the facilities by Licensee or by any other person admitted to the facilities by Licensee (i) suffered by Licensee, (ii) suffered by any person admitted to the facilities by Licensee, or (iii) suffered by any other person as a result of the acts or omissions of Licensee or any persons admitted to the facilities by Licensee, in each case ((item (i) through (iii)), regardless of whether Licensee's negligent or wrongful act or omission, caused, contributed to or aggravated the loss or damage, and regardless of where such loss or damage occurs. In addition, the Licensor may require Licensee to obtain and present public liability certification or other insurance for the License Period.

8. Assignment: Binding Effect.

8.1 By Licensee: Licensee shall not assign the License Agreement or sublicense the license for any facilities as a whole, or in part, without the prior written approval of the Licensor. Licensor may sell or otherwise grant to others permitted to enter or to use the facilities on terms consistent with the License Agreement between Licensor and Licensee.
