In addition, it addresses those instances in which a state employee may pursue (i.e., offer for) and hold certain elective or appointive offices. All TCSG employees, regardless of their classified or unclassified status, are subject to these Rules and are, therefore, covered by the provisions of this procedure.

VI. PROCEDURE:

A. General Provisions:

1. No applicant or employee will be subject to an adverse employment action based on any voluntary disclosure of their political opinions or affiliation(s).
   \textbf{NOTE:} The selectee for any TCSG position will be required to complete a State Security Questionnaire and Loyalty Oath as a condition of employment.

2. No applicant for employment or current employee participating in a selection process may be asked a question designed to elicit information about their political, social, or religious opinions or affiliation.

3. Any applicant for a System Office or Technical College position who uses or attempts to use any coercive political pressure to secure an advantage in a selection process will be disqualified from further consideration and shall not be eligible for appointment or promotion. Additionally, any current TCSG employee who engages in these actions will be subject to disciplinary action up to and including separation from employment.

4. All TCSG employees should familiarize themselves with the provisions of this policy and are personally responsible for determining if they are eligible to pursue, accept, and/or hold an appointment to a public office, political party office, or Office with a political organization.

5. Unless certain that there are no legal or policy prohibitions to pursuing or holding elective or appointive Office, an employee should seek the advice of the System Office’s General Counsel or Director, Office of Human Resources, or a Technical College’s Human Resources Director/Coordinator before accepting an appointment to or taking action to further their candidacy for a public office, political party office, or an office of a political organization.

6. An employee whose principal employment is entirely (i.e., 100%) federally-funded by loans or grants made by the United States or a federal agency is covered by the Federal Hatch Political Activities Act (5-U.S.C.A. 1501-1508) and may not:

1. Excluding the Commissioner, any TCSG employee may offer for and hold any elective or appointive office of a political subdivision of the State, political party, or political organization provided the Office is not full-time, does not conflict with the performance of the employee's official duties, and is not otherwise prohibited by law.

2. An employee seeking to hold an elective or appointive office must submit a Political Activity Request Form (Attachment 4.3.2p5.a1.) and obtain the approval of the Commissioner or their Technical College president or their designee before accepting a political appointment or seeking election to a public office, political party office, or an office of a political organization.
NOTE: A Political Activity Request should be allowed with the decision maker discussing the request with the TCSG General Counsel. Any subsequent denial will be issued without regard to age, race, color, sex, religion, national origin, disability, veteran status, genetic information, or political affiliation.

3. The Commissioner, Technical College president, or their designee should forward a copy of the completed Political Activity Request Form to the TCSG Ethics Officer and, as applicable, the System Office or Technical College Office of Human Resources for placement in the employee’s personnel file.
