VI. PROCEDURE:
A. The State of Georgia currently recognizes and observes all public and legal holidays designated by the federal government as of January 1, 2022, and all other days designated by the Governor. A schedule reflecting the actual date each holiday is to be observed in a given calendar year is published annually by the Office of the Governor.

B. Observance of Holidays:
1. The Governor shall close all state offices and facilities for thirteen (13) days each calendar year in observance of public and legal holidays as state law provides.
2. In the System Office, holidays will be observed on the date designated in the Governor’s proclamation.
3. In a Technical College, one or more holiday(s) designated by the Governor may be observed later in the calendar year, consistent with a college’s approved academic calendar. A schedule reflecting the actual date each holiday is to be observed in a given calendar year will be published annually by each college.

4. All eligible System Office or Technical College employees who worked on the day a state holiday is observed shall be provided with equivalent time off.

5. All eligible System Office and, as applicable, Technical College employees working an alternative weekday off or compressed work schedule and whose normal/regularly scheduled day off occurs on the date a state holiday is observed shall be provided with equivalent time off.

6. An employee shall not be granted time off for a holiday before the date it is scheduled to be observed.

7. Subject to the provisions of this procedure, an employee may request time off from work to observe one or more religious holy days not designated by the Governor.

8. The value of a holiday is no more than eight (8) hours; therefore, the amount of equivalent time off delivered to an employee working on the day a holiday is observed shall reflect the actual number of hours worked up to a maximum of eight (8) hours.

C. Eligibility for Holiday Pay:

1. A full- or part-time salaried employee shall be paid for a holiday only if the employee is in pay status the employee entire scheduled workday before or after the holiday is observed, subject to the following exceptions:

   a. Such payment shall not be made if the employee is separating from state service and the date a holiday is observed occurs after the date of separation.

   b. Such payment shall not be made to an employee who is separating from state service, and the holiday would be the employee’s last day of employment unless the holiday is at the end of the employee’s typical work week or the end of a calendar month.

   c. Such payment shall not be made to an individual initially entering or re-entering state service on the scheduled workday following the date a holiday is observed.

NOTE: The compensation of an employee who is separating from state service to receive benefits under a state retirement system shall not be reduced due to the application of these provisions.

2. An employee scheduled to work on the day a holiday is observed but fails to report for any portion of the scheduled workday and the absence has not been authorized shall not be granted additional compensation or equivalent time off.

3. An employee is leaving state service or transferring to another state agency, a state entity, or Technical College and has accumulated equivalent time off as provided in this procedure must be paid for all such hours or provided equivalent time off by the System Office or the employee employing Technical College prior to the employee’s departure.

4. Hourly-paid employees and adjunct faculty are not eligible for paid holidays.

5. A part-time salaried employee shall be compensated for a holiday based on the number of scheduled work hours on the day a holiday is observed, not to exceed eight (8) hours.

6. A part-time salaried employee shall not receive additional compensation or time off for a holiday observed on the employee regularly scheduled day off.

D. Request to Observe Other Religious Holy Days

1. An employee may request time off from work to observe one or more religious holy days not designated in this procedure. Any such request must be submitted in writing to the employee immediate supervisor at least seven (7) calendar days before the
requested day(s) off.
2. For this purpose, employees are eligible for priority consideration for up to three (3) workdays (off) each calendar year.
3. Any request submitted consistent with the provisions of this section may not be denied unless:
   a. The duties performed by the employee are urgently required, and the employee, in the judgment of the immediate supervisor, reviewing manager, or other designated System Office or, as applicable, Technical College official, is the only person who can perform these duties.
   b. The Technical College or System Office work unit can otherwise show that accommodating the request would be an undue hardship.
   c. Any paid time off from work for the observance of a religious holy day shall be deducted from an employee’s annual leave, personal leave, or compensatory time balance; or the employee may take leave without pay.
4. Requests by an employee for time off to observe one or more religious holy days outside the scope of these provisions (more than three days or with shorter notice) may be approved as any other request for leave at the discretion of the immediate supervisor, reviewing manager, or other designated System Office or, as applicable, Technical College official in a manner consistent with local procedures for requesting leave and applicable federal law.

E. Accumulated Equivalent Time Off/Deferred Holiday Time
1. Employees must use accumulated equivalent time off/deferred holiday before annual, sick, or personal leave or available State compensatory time.
2. An immediate supervisor, reviewing manager, or other designated System Office or, as applicable, Technical College official has the discretion of scheduling non-workday(s) for an employee with accumulated equivalent time off/deferred holiday time. In such instances, sufficient staffing must be maintained to ensure the adequate delivery of services in the affected work unit.
3. Deferred holiday time must be used within 365 days after the day proclaimed as a holiday; otherwise, the employing Technical College or System Office must pay it accordingly.

VII. RECORD RETENTION:
All leave records generated in the application of Paragraph VI.D. shall be maintained for three (3) years as provided by applicable provisions of the State of Georgia Records Retention Schedule.
