VI. PROCEDURE:

A. **Filing a Complaint**

1. Any person may file a complaint with the Vice President for Student Affairs or the Technical College President's designee against any student for an alleged violation of the Student Code of Conduct. The individual(s) initiating the action should complete a Student Code of Conduct Complaint Form and provide it to the Vice President for Student Affairs or the Technical College president's designee.

2. Academic Misconduct may be managed using this procedure or a separate Academic Misconduct Procedure at the discretion of the Technical College president.

3. **Investigation and Decision**

   a. Within five business days after the Student Code of Conduct Complaint Form (the "Complaint") is filed, the Vice President for Student Affairs or the Technical College president's designee shall complete a preliminary investigation of the incident and schedule a meeting with the Student against whom the complaint was filed in order to discuss the incident and the allegations. If additional time is necessary, the Student will be notified. After discussing the complaint with the Student, the Vice President for Student Affairs or the Technical College president's designee shall determine whether the Student committed the alleged conduct and whether the alleged conduct constitutes a violation of the Student Code of Conduct.

   b. The Student shall have five business days from the date contacted by the Vice President for Student Affairs or the Technical College president's designee to schedule the
meeting. This initial meeting may only be rescheduled one time. Suppose the Student fails to respond to the Vice President for Student Affairs or the Technical College president's designee within five business days to schedule the meeting, reschedule the meeting more than once, or fails to appear at the meeting. In that case, the Vice President for Student Affairs or the Technical College president's designee will consider the available evidence without student input and decide.

c. Suppose a Complaint alleges violations of the Student Code of Conduct by more than one Student. In that case, each Student's disciplinary proceeding and any appeals relating to that proceeding shall be conducted individually.

d. Suppose the Vice President for Student Affairs or the Technical College president's designee determines that the Student has violated the Student Code of Conduct. In that case, they shall impose one or more disciplinary sanctions consistent with those described below. However, suppose the Vice President for Student Affairs or the Technical College president's designee determines that the alleged conduct did not occur or that the conduct was not a violation of the Student Code of Conduct. In that case, their shall not impose disciplinary sanctions on the Student, and the investigation shall be closed.

B. Disciplinary Sanctions

1. Violation of the Student Code of Conduct
   a. Based on the severity of the incident, the Vice President for Student Affairs may take one of two actions, no referral to the Hearing Body or referral to the Hearing Body.
      i. After a determination that a student has violated the Student Code of Conduct, the Vice President for Student Affairs or the Technical College president's designee may impose one or more of the following sanctions without referral to the Hearing Body. The notification shall be sent to the Student and the person(s) who initially filed the complaint.

         **Restitution:** A student who has committed an offense against property may be required to reimburse the Technical College or other owner for damage to or misappropriation of such property. Any such payment in restitution shall be limited to the actual cost of repair or replacement.

         **Reprimand:** A written reprimand may be given to any student. Such a reprimand does not restrict the Student in any way. However, it signifies to the Student that there is being given another chance to conduct themselves as a proper member of the Technical College community and that any further
violation may result in more severe sanctions. 

**Restriction:** A restriction upon a student's privileges for a period of time may be imposed. This restriction may include but is not limited to denial of the right to represent the Technical College, denial of use of facilities, alteration or revocation of parking privileges, or restrictions from participating in extracurricular activities.

**Disciplinary Probation:** Continued student enrollment on probation may be conditioned upon adherence to specified terms. Any student placed on probation will be notified of the terms and length of probation in writing. Any conduct determined after due process to violate these terms while on probation may result in the imposition of more serious disciplinary sanctions, as specified by the terms of probation.

**Failing or lowered grade:** In cases of Academic Misconduct, the Vice President for Student Affairs or the Technical College president's designee will make a recommendation to the Vice President for Academic Affairs or their designee, who may authorize the instructor to award a failing or lowered grade in the course, or a loss of credit on the assignment or examination.

ii. After a determination that a student has violated the Student Code of conduct, the Vice President for Student Affairs or the Technical College president's designee may recommend the imposition of one of the following sanctions if appropriate. The Vice President for Student Affairs' recommendation will be forwarded to the Hearing Body, which may impose one or more of the following sanctions, as well as those described in section VI.C.1 above, following a hearing. A copy of the written recommendation shall be provided to the Student and the person filing the complaint.

**Disciplinary Suspension:** If a student is suspended, they are separated from the Technical College for a stated period. Conditions of reinstatement, if any, must be stated in the notice of suspension.

**Disciplinary Expulsion:** Removal and exclusion from the Technical College, Technical College controlled facilities, programs, events, and activities. Vice President maintains a record of the reason for the Student's dismissal for Student Affairs or the Technical College president's designee. Students dismissed from the Technical College for any reason may write to the Vice President for Student Affairs for reinstatement twelve (12) months following the expulsion. If
approval for reinstatement is granted, the Student will be placed on disciplinary probation for a specified term. The probationary status may be removed at the end of the specified term at the discretion of the Vice President for Student Affairs or the Technical College president's designee. **System-Wide Expulsion:** Where a student has been expelled or suspended three times from the same or different colleges in the Technical College System of Georgia in the past seven years, the Student will not be permitted to register at any college in the Technical College System of Georgia for ten years after the most recent expulsion/suspension.

2. Violation of Federal, State, or Local Law  
   a. Suppose a student is convicted or pleads with nolo contendere to an off-campus violation of federal, state, or local law but not with any other violation of the Student Code of Conduct. In that case, disciplinary action may be taken, and sanctions for misconduct detrimental to the Technical College’s vital interests and stated mission and purpose.
   
   b. Disciplinary proceedings may be instituted against a student charged with a violation of a law that violates the Student Code of Conduct if both violations result from the same factual situation, without regard to criminal arrest and/or prosecution. Proceedings under this Student Code of Conduct may be conducted prior to, simultaneously with, or following criminal proceedings.
   
   c. When a student is charged by federal, state, or local authorities with a violation of law, the Technical College will not request or agree to special consideration for that individual because of their status as a student. The Technical College will cooperate fully with law enforcement and other agencies in enforcing criminal law on campus and the conditions imposed by criminal courts for rehabilitating student violators. Individual students, acting in their capacities, remain free to interact with governmental representatives as they deem appropriate.

3. Interim Disciplinary Suspension  
   a. As a general rule, the status of a student accused of violating the Student Code of Conduct should not be altered until a final determination is made regarding the allegations against him/her. However, an interim suspension may be imposed upon a finding by the Vice President for Student Affairs or their designee that the continued presence of the accused Student on campus constitutes a potential or immediate threat to the safety and well-being of the accused Student or any other member of the Technical College community or its guests, or that the continued presence of the Student on campus creates a risk of
substantial disruption of classroom or other Technical College-related activities. If an interim disciplinary suspension is imposed, the matter must be referred as soon as possible to the Hearing Body. The Student need not request an appeal.

4. Conditions of Disciplinary Suspension and Expulsion
   a. A student suspended or expelled from the Technical College shall be denied all privileges afforded a student and shall be required to vacate Technical College Premises at a time determined by the Vice President for Student Affairs or the Technical College president's designee.
   b. In addition, after vacating the Technical College Premises, a suspended or expelled Student may not enter upon the Technical College Premises at any time, for any purpose, in the absence of written permission from the Vice President for Student Affairs or the Technical College president's designee. A suspended or expelled student must contact the Vice President for Student Affairs or the Technical College president's designee for permission to enter the Technical College for a limited, specified purpose.
   c. Suppose the Student seeks to submit a signed Disciplinary Sanction Appeal Form. In that case, the Vice President for Student Affairs or the Technical College president's designee must accept the form by mail or fax if the Refuses the Student's request to enter the Technical College Premises for that specified purpose.
   d. A scheduled appeal hearing before the Hearing Body shall be understood as expressed permission from the Vice President for Student Affairs or the Technical College president's designee for a student to enter the Technical College Premises for the duration of that hearing.

A student who wishes to appeal a disciplinary decision by the Vice President for Student Affairs or the Technical College president's designee regarding an assigned sanction of restitution, reprimand, restriction, disciplinary probation, or failing or lowered grade must file a written notice of appeal through the Technical College president's office for review by the Hearing Body within five business days of notification of the decision. The person filing the initial complaint against the Student must be notified of the hearing date.
   2. Suppose the Vice President for Student Affairs or the
Technical College president's designee recommends a sanction of disciplinary suspension, disciplinary expulsion, interim disciplinary suspension, or system-wide expulsion. In that case, the matter will be referred to the Hearing Body by the Vice President for Student Affairs. The Student need not file a written notice of his or her desire to appear before the Hearing Body. However, the person filing the initial complaint shall also be notified of the hearing.

In that case, reprimand, restriction, disciplinary probation, or failing or lower grade, the Hearing Body's decision regarding the appeal is final. A copy of the Hearing Body's written decision will be provided to both the Student and the person who filed the original complaint.

5. In that case, the Student should be able to appeal directly to the Technical College president.

6. If entitled to an appeal to the Technical College president, the Student shall have five business days after receiving written notification of the Hearing Body's decision to request in writing an appeal. 7. The president of the Technical College or their designee's review shall be in writing and only consider evidence currently in the
new facts not brought up in earlier stages of the appeal shall not be considered.
