Procedure 7.3.1p23. Chapter 23: Biased-Based Profiling

Revised:

Last Reviewed: March 26, 2024; and February 15, 2023;

Adopted: June 1, 2023.

I. PURPOSE:

Establish a written policy that prohibits bias-based profiling by law enforcement officers of the Technical College System of Georgia.

II. DEFINITIONS:

Discriminate - To make a difference in treatment on a basis other than individual conduct.

Bias-Based Profiling– Bias-based profiling occurs when, whether intentionally or unintentionally, an officer applies their own personal, societal, or organizational biases or stereotypes when making decisions or taking law enforcement action, and the ONLY reason for that decision or action is because of a person’s race, ethnicity, background, gender, sexual orientation, religion, economic status, age, culture or other personal characteristics, rather than due to the observed behavior of the individual or the identification of the individual as being, having been, or about to be engaged in criminal activity.

Bias-based profiling does not include circumstances where the officer has information that includes a racial or ethnic descriptor concerning a suspect for a specific crime where that information is reliable and is likely to lead to the discovery of that individual.

A. POLICY:

It is the policy of the Technical College System of Georgia to protect the constitutional rights of all people, regardless of race, color, ethnicity, gender, sexual orientation, physical handicap, religion, or other belief system or physical characteristic, and to treat each person with respect and dignity.

The practice of bias-based profiling by sworn officers of the Technical College System of Georgia is strictly prohibited. All sworn officers of the Technical College System of Georgia

shall exercise their law enforcement powers in a manner that does not discriminate against individuals based on any personal, societal, or organizational biases. **(GLECP Std. 1.18a)**

Traffic Stops made by sworn officers of the Technical College System of Georgia will be based solely on the violation observed. Investigatory Stops made by TCSG sworn officers will be based solely on the articulable, reasonable suspicion that the person stopped may be involved in criminal activity.

B. TRAINING

All TCSG Law Enforcement Agencies shall administer in-service training to all sworn officers to guide the consideration of biased-based profiling in the Department's law enforcement activities.

C. CORRECTIVE MEASURES (GLECP Standard 1.18b)

Any incidents of bias-based profiling will be addressed immediately by the immediate supervisor. In addition, corrective measures and disciplinary actions may be taken following TCSG Human Resources procedures 4.4.1p Positive Discipline and 4.3.1p Unlawful Discrimination, Harassment and Retaliation in Employment.

D. ADMINISTRATIVE REVIEW (GLECP Standard 1.18c)

The Chief of Police or designee of each TCSG law enforcement agency will conduct an annual review of complaints, stops, citations, arrests, and incidents to determine if any bias-based profiling may occur in the agency. The review will be documented. Any instances of bias-based profiling found to have occurred will be addressed as specified above in section C of this directive.
