Affordable Education

At \$89 per credit hour, a TCSG education is a bargain when it comes to quality, affordable education. Students can access Georgia's HOPE grant and scholarship and the Federal Pell Grant to help pay for a TCSG education. Seventeen career fields are tuition-free through the HOPE Career Grant.

\$89 per credit hour

\$1,068 average full-time tuition per semester

56% receiving federal financial aid

41% receiving HOPE

Guaranteed Education

TCSG graduates are bridging the skills gap in Georgia by answering employers' needs for talented professionals who can understand and master the latest technologies.

Georgia's business and industry leaders are quick to point out the state's thriving workforce as a key reason for building and/or relocating here. TCSG graduates are guaranteed to be proficient in TCSG-taught competencies or the college will retrain them at no cost.

Technical Education 2018

AY18 Enrollment.....**136,157**

Graduates.....**33,904**

Awards.....**56,920**

Associate Degrees.....**7,085**

Diplomas.....**8,650**

Technical Certificates of Credit.....**41,185**

Online Enrollment.....**69,606**

28 statewide course articulation agreements with the
University System of Georgia

More than 1,000 additional college and program-specific
articulation agreements

HOPE CAREER GRANT

Free Tuition in **17** High-Demand Career Fields*

Automotive Technology
Aviation
Certified Engineer Assistant
Commercial Truck Driving
Computer Programming
Computer Technology
Construction
Diesel Equipment Technology
Early Childhood Care & Education
Electrical Lineworker
Health Science

39 Counties / 1 City
- Certified Literate Community
Participants
48 Counties / 1 City

CLCP

Certified **Literate** Community Program
clcpgo.org

The CLCP program is a grass-roots campaign that helps build partnerships and support for adult education programs and students. This business, education and government partnership makes literacy a community-wide commitment that helps children, families and workers improve literacy levels.

Area Development magazine names **Quick Start the #1** workforce training program in the U.S. for the **9th** year in a row!

Quick Start Projects:

- 95%** supported Georgia manufacturers
- 58%** supported new companies
- 42%** supported existing/expanding industries
- 41%** involved international companies
- 62%** were located outside of Metro Atlanta
(representing 69% of FY18 trainees)
- 4,790** jobs were created
- 32** international projects
- 11** different countries
- 79** customized workforce training projects
- 32,212** individuals trained

Economic Development

Business & Industry:

TCSG colleges around the state deliver on-demand, customized training designed to meet the needs of local industries. Whether it's incumbent worker training for planned facility upgrades, new employee training to meet growing workforce needs, or leadership development, TCSG colleges have the resources and expertise to develop individualized plans to meet corporate needs at the local level.

Professional Development:

TCSG colleges provide high-quality, non-credit training programs designed to help workers get ahead in the 21st-century workplace. Flexible scheduling and delivery options (online and face-to-face) are designed to help workers take advantage of growth opportunities and advance careers through training and obtaining industry-recognized licenses and certifications.

Personal Enrichment:

Never stop growing. Never stop learning. TCSG colleges offer a wide variety of enrichment courses that provide opportunities for individuals to expand knowledge and skills.

2,500 companies • **1.8 million** contact hours • **255,650** employees trained

Military & Veterans

13,328 Military Members, Dependents and Veterans Served

TCSG colleges—many with full-time veteran assistance programs, veteran coordinators, dedicated veteran spaces, and student veteran organizations—are committed to assisting military members and families in service and in transition from military service to civilian employment.

Georgia Veterans Education Career Transition Resource Center

Georgia VECTR Center serves as a gateway for veterans' re-entry into Georgia's public postsecondary educational systems and workforce.

5,167 unique individuals received services during AY18

Workforce Development

TCSG's Office of Workforce Development assumed administration of WorkSource Georgia, the state's federally-funded employment and training program in July 2018. WorkSource Georgia provides

Workforce Innovation and Opportunity Act (WIOA) funds and technical assistance to 19 workforce development areas across the state.

WIOA funds target training opportunities in high-demand fields, which ensures that participants leave the program with a living wage in a growth industry.

WIOA funds impact:

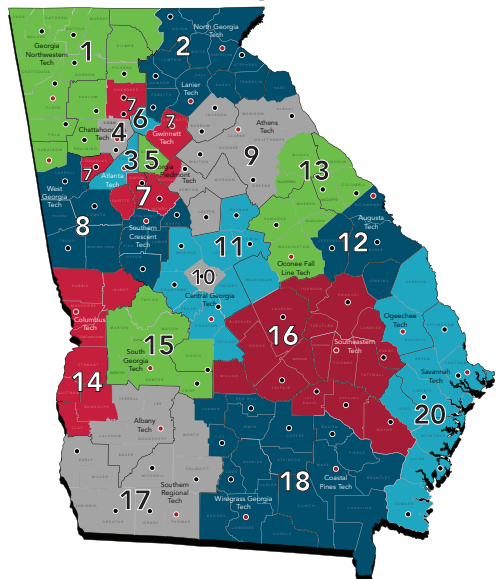

84% of adult participants gained employment

89% of dislocated worker participants gained employment

77% of youth participants gained employment or were placed in education opportunities

Workforce Development Areas

- 20 Coastal

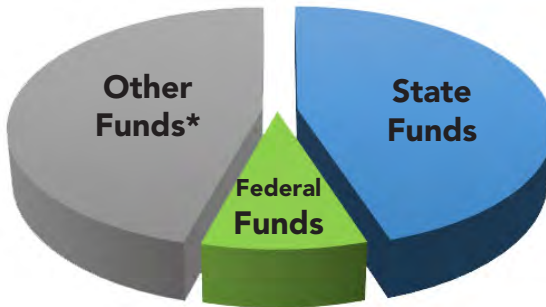

Complete College Georgia

TCSG is well on its way to meeting the workforce needs of Georgia's industries by 2025, the goal set by Complete College Georgia. The system is ahead of its FY18 benchmark by **32,690** students. These are students who have completed the requirements for an associate degree, diploma or certificate.

Prisoner Re-entry

Adult Education works to make a real difference in the lives of Georgia inmates. In FY18, Adult Education served **5,061** students in Department of Corrections facilities. In addition, GED® mobile testing served **6,001** correctional test takers.

System Budget

Technical College System of Georgia

**1800 Century Place N.E.
Atlanta, Georgia 30345
(404) 679-1600 | tcsge.edu**

Non-Discrimination Statement:

The Technical College System of Georgia and its constituent Technical Colleges do not discriminate on the basis of race, color, creed, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, spouse of military member or citizenship status (except in those special circumstances permitted or mandated by law). This nondiscrimination policy encompasses the operation of all technical college-administered programs, programs financed by the federal government including any Workforce Investment Act of 1998 (WIA) Title I financed programs, educational programs and activities, including admissions, scholarships and loans, student life, and athletics. It also encompasses the recruitment and employment of personnel and contracting for goods and services.

The Technical College System and Technical Colleges shall promote the realization of equal opportunity through a positive continuing program of specific practices designed to ensure the full realization of equal opportunity.
