3. Once you get to this screen, go to your e-mail to reset the password. If you do not receive an e-mail or can't access yours, please contact your Instructor.

Check your email!
We just sent you instructions to change your password.

How Students can Reset their own Passwords

4. Open the e-mail from “Blackboard Administrator, Lost Password Notification.” Click on the blue link at the bottom to reset the password.

Forgot Password? This message is a response to the Forgotten Password utility on your blackboard system. If you did not use this tool to generate this message, you should contact your System Administrator immediately: admin@tcsgae.blackboard.com. To set a new password for your account, click on the URL below or past into your browser exactly as it appears.
<https://adulthoodgo.blackboard.com/webapps/blackboard/password?action=change&user=8751&passoce80FC859C>
When you go to this this location, you can set your new password.

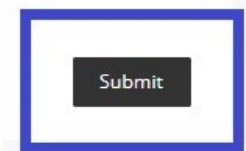

5. Enter your new password and Click “Submit.”

CHANGE PASSWORD

Complete this form to change the password.
