

# Technical College System of Georgia

## COMMERCIAL TRUCK DRIVING (CDL)

The TCSG Commercial Truck Driving (CTD) certificate program provides basic training in the principles and skills of commercial truck operations. The CTD program prepares students for the Georgia CDL Skills Exam. Heavy truck and tractor-trailer drivers generally haul goods long distances, transporting everything from automobiles to stock supplies for groceries. They are licensed to drive vehicles with a capacity of at least 26,000 pounds. Light or delivery truck drivers maintain local routes and usually make several package runs within a day.

## TREND DATA

## FINANCIAL AID

The HOPE Career Grant provides Free Tuition for students that enroll in one of 18 High Demand career fields. It also helps Georgia's employers by creating a pipeline of skilled workers they can hire well into the future. In addition, many technical college students of all ages in Diploma and Technical Certificate programs have unique access to tuition assistance for workforce credentials. Georgia's HOPE Grant (a separate program from the HOPE Scholarship) is available to Georgia residents who are working towards a certificate or diploma at an eligible college in Georgia.

## TCSG GRADUATE GUARANTEE

To demonstrate confidence in and commitment to quality technical education programs which are relevant, current, and responsive to the stated expectations of Georgia's businesses and industries TCSG guarantees every graduate from a technical certificate of credit, diploma or associate degree program. The TCSG warranty guarantees that the graduate has demonstrated the knowledge and skills and can perform each competency as identified in the industry-validated Standard or Program Guide, and any program graduate who is determined to lack such competence will be retrained at no cost to the employer or graduate for tuition or instructional fees.
